

# Mosquito Creek COOP Housing

## Power Washing / Fence Painting

To all Members:

Power Washing of our fences will be done by “Shine Shack” starting July 13<sup>th</sup> at 1755 Fell, working their way down the hill and it should be done in 2 to 3 days. Weather permitting, The painting will be performed by “WOW” painting, starting July 20<sup>th</sup>, again at 1755, and is expected to take 3 to 4 days.

We asked all members to clear anything moveable and breakable at least 3 to 4 feet away from the fence before July 13<sup>th</sup>. The contractors will do their best to protect any plants and have as little as possible impact on your yard, but your cooperation is also required to make this a happy and smooth operation for all of us.

You will also see some Carpenters and Gardeners around, fixing the fences and trimming some of the overgrown hedges before the project starts. So again, please cooperate with them so we can maintain our fences for as long as possible.

For any concerns you may have, please send an email to:
